

## “THE WAY” TO NEXT-LEVEL...

### HEALTH & WELLNESS

Millions of people suffer from lower back pain and a variety of other muscle and tissue ailments. Whether you're running errands or sitting at your desk, L1 fits discreetly underneath your clothes to support continuous, on-the-go relief.

### RECOVERY

Recover faster and on the go while wearing your L1, whether it's after your workout, during your cool-down routine, or even in the car on your way to/from work will enhance your recovery timeline and keep you feeling fresh.

### FITNESS

Reduce injury and increase performance by incorporating L1 into your stretching exercises prior to your workout. Our FIR technology helps the targeted muscle groups to quickly reach optimal temperatures for performance.
